ABOUT US

At CPD we aim to provide students with the very best dance, acrobatic & performing arts training in a fun, safe and friendly environment. By nurturing and encouraging our students to believe in themselves, we are able to achieve the perfect balance between technical excellence & fun, creating a lifelong love of dance.

Our studio is well established in the community with an excellent reputation. Exciting performance opportunities are regularly available, as we are often invited to perform at community events such as; Melbourne Street Eats Festival, Australia's Biggest Playdate- Monash Children's Hospital Events & McHappy Day, as well as at local school markets & fetes.

Our students are self-motivated and take pride in their learning, achieving great success in examinations and eisteddfods. Past students gained acceptance into some of the country's leading professional full time dance courses including; Ministry of Dance, Transit Dance and Patricks Studios Australia.

We understand that every dancer is different, from pre-schoolers to pre-professionals. We want each and every student reach their fullest potential and be proud of their achievements, whilst building valuable life skills such as organisation, leadership, confidence and self-esteem.

Our studio embraces diversity and welcomes all. We pride ourselves on creating a safe place, with a friendly vibe where everyone is free to be themselves. Our studio is filled with fantastic role models for our younger students, encouraging all students to become not just great performers, but also great people.

*We are more than just a dance school; we are a second home.
We would love to welcome you to join the CPD Family!*

BALLET EXAMS

Classical ballet exam work is taught as a part of the curriculum for all Mini & Sub-Junior ballet classes. We offer separate exam classes from Juniors onwards. Any student participating in these classes will have the option of taking a ballet exam. Ballet exams are usually held towards the end of Term 3. Exams can be very rewarding for the students and help them work towards goals to improve on technique. Each student receives a pin, medal or a trophy (depending on exam level/ syllabus) and is given a personal report of their progress. Our exams are conducted externally by two highly recognized dance societies: ATOD (Australian Teachers of Dancing) and ATD (Australasian Arts Theatre of Dance.)

ANNUAL CONCERT PRODUCTION

The CPD Annual End of Year Concert Production, is usually held mid to late November. Everyone is given the opportunity to perform. We run a professional theatre show, with great costumes, hair and make-up, to give the students a real theatre/ stage experience. Students are well prepared and have plenty of rehearsals to make it a fun experience rather than a 'scary' one. If you do not wish to take part please notify your teacher in the first week of the fourth term. Parents will receive plenty of information about the show during the year.

COSTUMES

You'll be happy to know that at CPD all costumes are hired to the students, from our extensive wardrobe, at very reasonable rates. All costumes come complete and ready to wear for all performances. Our costumes are also available for external hire.
